Ray White Maroubra

Dear Antonia,

On behalf of the Rotary Club of Maroubra we wish to thank Ray White Maroubra for allowing us to participate in the Christmas joint community initiative called "A Little Ray of Giving" where children's presents are collected by Ray White for distribution by Rotary to those most in need.

All the children's presents collected in this initiative have now been distributed by the Rotary Club of Maroubra through the Maroubra Branch of the Salvation Army to ensure those local children and their families in the most need receive a Christmas present at this special time of the year.

We wish the staff of Ray White Maroubra a very merry Christmas and a safe and prosperous New Year. We look forward to working with you once again next year.

Kind regards,

John Segal
President
Rotary Club of Maroubra.
