

*Uniting two offices  
into one great team*

Having had to maintain confidentiality as we finalised our plans, I am now very pleased, on behalf of our wonderful team, to introduce Stuart Sinclair as Principal and owner partner in Tea Gardens Real Estate.

While many will already know Stuart, his wife Vanessa and their children as a popular local family, others will know him through his success in managing The Boathouse Resort, or more recently, Stuart's outstanding results in building Ray White Tea Gardens Hawks Nest, a locally owned Real Estate business with a success rate built on trust and respect of the local community.

In bringing together the two businesses, we are rebranding our office with the Ray White branding and Stuart and his team will join Sam Rowling, Julie Wolfenden and Karen Scaife in our Marine Drive office.

Professional, reliable, and approachable are only a few of the words used to describe Ray White Tea Gardens Hawks Nest, and to the team, nothing is more important than building relationships and fostering a sense of loyalty in all clientele. Their diligence, drive and knowledge of the local market ensures that all prospective sellers, purchasers, landlords and tenants are treated with respect and are given as much information as possible so that they can make the most informed decisions.

The Principal and Licensee, Stuart Sinclair, has outstanding skills recognised within the Ray White Group starting as a Premier Member in 2015 throughout his first year of business, continuing to 2016, and then as an Elite Performer. Stuart has kept this title through 2017, 2018, 2019 and then again in 2020 along with his 4th regional Principal Award from an impressive field of 80 offices. Stuart is a highly renowned agent holding a market share of 52.7%.

Along with Sam, Julie and Karen, the friendly faces you know, our team working with Stuart comprises Renee Spiteri, a Licensed Real Estate Agent who has been involved in Real Estate for over 25 years, holding a wealth of knowledge in both Property Management and Sales, Emma Miller, A Licensed Real Estate Agent with 5 years' experience in both Property Management and Administrative roles, and Amity Carter, new to the industry, who having recently graduated and completed her HSC, is excited to start her career in the Real Estate industry and provide excellent customer service.

We are also pleased to welcome two new additions to the team. Joy Clarke, a Licensed Real Estate Agent and Property Management specialist, with 20 years' experience managing rent rolls for large agencies, before opening her own Specialist Property Management business and growing it organically into a thriving agency, and talented Kelly Hurkett, who with a wealth of knowledge and experience in the travel/tourism industry is now keen to follow her passion in building her Real Estate career.

We are looking forward to the merge with Ray White Tea Gardens Hawks Nest and believe that the Ray White brand will allow for much growth and success. There may be a new logo and some new faces, but you can be sure of the same exceptional service as always.

Kind regards,

Rob Jeffress

Stuart Sinclair
