Market Report

Ray White Rural Kempsey held their annual Weaner Show and Sale on Tuesday, May 3rd. An excellent yarding of cattle with both Vendors and Buyers commenting on the quality and overall consistency of the calves on offer. The yarding consisted mainly of steers with the majority of them being Angus, Charolais, Brangus and their crosses.

The condition of the calves certainly reflected the good season that has been had and the extra dollars invested by producers in their bulls over the past few years. As the saying goes, “the quickest way to improve your cattle is by using better genetics and constantly upgrading your bulls”. This was certainly proven today. Well done to all the vendors.

Buyers were in attendance from Dorrigo, Croppa Creek, Ebor, Maitland as well as the local area.

Steers {Up to 400kg}	200.0 – 304.2
Steers {400kg and over}	214.2 – 236.2
Heifers {up to 330kg}	168.2 – 244.2
Heifers {Over 330kg}	190.2 – 220.2
