

Dalby Cattle Sale Market Report

WEDNESDAY 21ST OCTOBER 2020

Ray White Rural Sale Results

As the rain fell at the Dalby Saleyards, weaner steers hit a record of \$6c/kg plus. The rest of the market remained very firm. Weaners heifers also sold well with the top heifers making 550c/kg. Export cattle improved by 5c/kg with the top cow making 326c/kg. The heavy bull market was in strong demand with a number of export buyers in play. Top bull 350c/kg. The backgrounding/feedlot steers & heifers were in huge demand with limited numbers available. Feeder Steers topped at 430c/kg & heifers reached 420c/kg.

From the RAY WHITE TEAM we trust you are all under some much needed RAIN.
