

# Dalby Cattle Sale Market Report

**WEDNESDAY 18TH NOVEMBER 2020**

## Ray White Rural Sale Results

A total of 5288hd yarded at the Dalby Saleyard this week. Overall the yarding saw a lot of first round (Export cattle over 400kg) with very little top quality cows available.

As a result the cow market eased slightly however top cows still reached 329c/kg.

Bull market was very firm with heavy bulls making 359c/kg. A very good line up of feeder steer/heifer were available with steers reaching 444c/kg and heifers making 430c/kg. The weaners market was very strong with all light steer and heifers reaching over 600c/kg and all heading down south.
