

# Dalby Cattle Sale Market Report

**WEDNESDAY 25TH NOVEMBER 2020**

## Ray White Rural Sale Results

With the numbers increasing to 6277 hd we saw a big adjustment in the export bulls, cows and bullocks. At times 10 to 20c/kg cheaper in these areas. Top cows 304c/kg, heavy bulls topped at 340c/kg and bullocks making 381c/kg. Feeder market remained firm for all good quality steer and heifers. Feeder steers reached 420c/kg and heifers topped at 440c/kg. Into the weaner market saw the market remain very strong for the better types of weaner, however any of the rough or out of spec weaner were a lot easier.
