

Dalby Cattle Sale Market Report

WEDNESDAY 2ND DECEMBER 2020

Ray White Rural Sale Results

With the record temperatures we saw the cattle numbers decrease compared to the previous weeks for a total of 3780 head. With this smaller yarding we saw export cattle improve 3-5c/kg and the store cows were in high demand. The feeder and weaner market saw very firm rates with very little change in the previous few weeks. Top cow 295c/kg. Bull 368c/kg. Feeders steer reached 418c/kg and heifers topped at 418c/kg as well. Weaners steers topped 630c/kg being Angus/Angus. Weaner heifers 548c/kg all so being british breed.
