

Dalby Cattle Sale Market Report

WEDNESDAY 9TH DECEMBER 2020

Ray White Rural Sale Results

A very small number of cattle were yarded at the second last Dalby Sale for 2020. Total of 2825 hd. This week saw all markets in very good form coming up to Christmas. Good quality store cows in high demand making 300c/kg. Export cattle jumped 3 to 5c/kg. Feeder steer 300kg to 400kg were very strong with the best topping at 460c/kg. The weaner steer/heifer market was again very firm with the influence of southern buying orders. Top weaner steers 568c/kg and heifers reaching 518c/kg.
