

Dalby Cattle Sale Market Report

WEDNESDAY 19th May 2021

Ray White Rural Sale Results

A total of 2613 head yarded today which was a slight increase in numbers to previous weeks. The market remained very strong in all areas from the export market to the restockers. Top cows reached 313c/kg and PTIC cows topped at 324c/kg. Heavy bulls topped at 320c/kg. The light feeder cattle and weaners were in high demand with increased prices due to the large panel of restockers present. Feeder steers reached 436c/kg and feeder heifers topped at 410c/kg. Weaner steers reached 658c/kg and weaner heifers topped at 576c/kg.
