

Dalby Cattle Sale Market Report

Wednesday 4th August 2021

Ray White Rural Sale Results

A smaller yarding of cattle today for a total of 2874 hd. All buyers were in attendance today with the cattle market remaining very strong. Heavy cows topped at 355c/kg, kill bullocks reached a top of 426c/kg. The feeder market remained very strong, with the angus steer & heifer lines along with the crossbred cattle making top money. Angus feeder steers topped at 578c/kg and the crossbreds reached 500c/kg. A few local faces saw the weaner market red hot. A line of angus weaner steers out of Kingaroy topped the weaner market today making 738c/kg.
