

Dalby Cattle Sale Market Report

Wednesday 1st September 2021

Ray White Rural Sale Results

Numbers increased this week at Dalby for a total yarding of 3893hd. All buyers were present today with the market remaining firm to dearer across most descriptions. Cows reached a record price of 396c/kg, reaching just over \$2,700. Good line up of Bullocks both treated and untreated saw the market ease by upto 10c, for a top of 427c/kg. Heavy Feeders were slightly cheaper this week, being that we are in the middle of the 100day Christmas period. Weaners sold to a cheaper trend this week, which would be the result of the quality yarded.
