

# Dalby Cattle Sale Market Report

## Wednesday 27th October 2021

### Ray White Rural Sale Results

Big day at Dalby today, 6pm just got back to the office after a total yarding of 5874hd. This week saw a larger yarding of cattle, but this did not affect the prices with all classes remaining on par to previous weeks. The heavy bulls this week sold to a dear trend reaching upto 440c/kg with the best of the heavy cows reaching a top of 401c/kg. Feeder steers once again sold very well, with lightweight feeder steers topping at 664c/kg. Weaner steers this week sold to a slightly softer market, reaching a top of 778c/kg which is 10c/kg back from last week. Weaner heifers followed the same trend to top at 676c/kg.
