

# Dalby Cattle Sale Market Report

## Ray White Feature Weaner & Feeder Sale

Thursday 26th May 2022

### Ray White Rural Sale Results

Ray White Rural Dalby hosted their annual feature sale today, yarding 796hd quality weaners and feeders. The sale was well attended with the usual weekly commission buyers and local restockers along with active bidders via the online Stocklive platform. Cattle were sourced from as north as Kingaroy, and out to westmar and as south as Tenterfeild.

Highlights from today's sale are as follows, with TJ & MB O'Connor topping the feeder steer category with a pen of Droughtmaster steers reaching a top of 539c/kg to return at \$2283/hd. Feeder heifers topped at 568c/kg to return \$2446/hd.

Into the weaner section, overall champion pen went to a pen of speckle park steers account Monivae Pastoral Co returning at \$1857/hd weighing 305kg. Other highlights include a pen of Angus, Angus steers weighing 391kg to return \$2405/hd. A run of lightweight crossbred steers weighing 206kg reached a top of 762c/kg. Angus, Angus heifers account of Mineral Resources topped at 686c/kg to return at \$2058/hd.

The Ray White Rural Livestock Team would like to thank all vendors, buyers, under bidders and all who were involved in making today a successful sale.
