

# Dalby Cattle Sale Market Report

**Wednesday 15th June 2022**

## Ray White Rural Sale Results

As Queensland & New South Wales finally start to dry out, the cattle increase by 3849 head to have a total yard of 6014. One major impact this week saw a major export buyer NOT in attendance, which impacted on all the heavy export cattle. Heavy cows top at 365c/kg, into the heavy bulls with only one major buyer, good bulls only reaching 346c/kg. Very strong market in the A grade feeders with steers reaching 685c/kg and heifers reaching 586c/kg. The weaner market is VERY strong with limited cattle numbers in paddocks and plenty of oats crops ready to feed. Weaner steers topped at 794c/kg and heifers reached 670c/kg.
