

# Dalby Cattle Sale Market Report

**Wednesday 27th July 2022**

## Ray White Rural Sale Results

Numbers were reduced this week by over half, for a total yarding of 2298hd. Once again a major export buyer was absent, but we saw a familiar face from Victoria back in action buying again for 2022. The biggest improvement today was the cow market, with heavy cows reaching 320c/kg. Weaner steers and heifers saw a very little change to previous weeks, with steers topping at 570c/kg and heifers reaching 480c/kg. A small number of feeder cattle were on offer today, with feeder steers topping at 506c/kg and heifers at a top of 460c/kg.
