

Dalby Cattle Sale Market Report

Wednesday 26th April 2023

Ray White Rural Sale Results

The number of cattle penned at Dalby increased by 2,055 head to 6,875 with the cancellation of some sales due to the public holiday lifting the supply. All the regular operators were present and active in the market. With the large number of cows buyers were able to handle larger supply plus maintaining firm prices. Yearling steers to feed experienced small improvement in places. The better end of the yearling heifers held firm, however poor quality lines were cheaper.
