## Wednesday 27th September 2023

### Ray White Rural Sale Results

Cattle numbers at Dalby increased by 365 head to 4,189. A fair panel of export buyers were present and operating with some displaying more interest in the cow section. Feeder activity remains subdued with one major feeder operator absent from the buying panel. Well bred heavy weight plain condition cows returning to the paddock made to 172c to average 167c with some returning \$1,062/head. Medium weight 2 score cows made to 147c to average 132c/kg. Heavy weight 3 score cows averaged 166c and the best of the heavy weight cows made to 199c to average 186c/kg. However heavy weight cows experienced fair demand, and heavy weight cows to restockers were noticeably dearer. Heavy weight bulls made to 208c/kg. A handful of bullocks made to 220c/kg. Yearling steers and heifers to feed continued to lose some ground in price. Medium weight yearling steers to feed averaged 226c and made to 264c/kg. Heavy weight yearling steers to feed made to a top of 279c, averaging 249c/kg. Medium weight yearling heifers to feed averaged 186c and made to 234c/kg. Heavy weight yearling heifers to feed made to an isolated 240c to average 196c/kg. The weaner steer market met very few in the buying panel, which was reflected in today's prices. Best of the weaner steers topped at 260c/kg with all around 200c/kg. Weaner heifers appear to be getting cheaper each week. Weaner heifers ranged from 50c/kg to a top of 200c/kg.
