Ray White Rural Sale Results

Good falls of rain spread over a wide area of the state combined with the short working week reduced numbers dramatically at Dalby down to 397 head. The supply of stock reduced by 3,700 head from the previous week and apart from 22 head from New South Wales the remainder were from the local supply area. Despite the smaller numbers most of the usual buyers were in attendance and operating. Light weight yearling steers returning to the paddock averaged 19c/kg dearer. Yearling heifers also experienced some improvement in price. The small selection of cows regained the previous weeks losses. Light weight yearling steers returning to the paddock made to 396c/kg. Yearling steers under 280kg as well as restockers made to 388c to average 356c/kg. Yearling steers to feed for the domestic market averaged from 317c to 320c with sales to 362c/kg. Heavy weight yearling steers to feed made to 318c to average 300c/kg. Light weight yearling heifers to restockers averaged 262c and made to 282c/kg.
