

Dalby Cattle Sale Market Report

Wednesday 16th April 2025

The upcoming run of short working weeks reduced cattle numbers at Dalby by 1,760 head, bringing the total yarding to 4,072. Lightweight yearling steers and heifers to restockers experienced only quality-related price variations, with well-bred lines receiving strong support. Medium and heavyweight yearling steers to feed averaged 13c to 15c/kg dearer. Medium and heavyweight yearling heifers to feed improved by 10c to 12c/kg.
