

Dalby Cattle Sale Market Report

Wednesday 15th April 2026

Dalby cattle numbers lifted sharply this week to 9,009 head, up 5,005 on the previous sale, with cow numbers also increasing to 2,101 head. A fair panel of export buyers attended and operated, though not all regular feed and trade buyers were present, resulting in a generally cheaper trend across most classes. Lightweight yearling steers to restockers lost 20c to 30c/kg, while well-bred lines maintained fair demand. Medium and heavyweight yearling steers to feed were less affected, easing 3c to 7c/kg. Lightweight yearling heifers to restockers dropped 30c to 40c/kg, with poorer quality lines hardest hit, while medium and heavyweight heifers to feed eased 6c to 14c/kg. Medium weight 2 score cows were over 20c/kg cheaper, while heavy weight classes saw little change. Lightweight yearling steers to restockers made to 492c/kg, averaging 452c to 455c/kg. Yearling steers to feed reached 538c/kg, with most between 446c and 462c/kg, while heavyweights averaged around 454c/kg. Lightweight heifers to restockers mostly sold from 300c to 310c/kg, with isolated sales to 363c/kg. Medium weight heifers to feed averaged 337c to 384c/kg, with sales to 446c/kg, and heavyweights made to 438c/kg, averaging 391c/kg. Heavy grown steers to export made to 415c/kg and bullocks to 430c/kg, averaging 404c/kg. Medium weight 2 score cows averaged 260c/kg, while heavy 3 score cows averaged 317c/kg and made to 370c/kg to average 354c/kg. Heavy bulls made to 402c/kg.
