Dear Jodie

Christmas is over for another year but because of you and others like you, the families of SunnyKids are still celebrating!

To say we were overwhelmed throughout December is an understatement! The SunnyKids headquarters was brimming with donations that turned it from a functioning office into Santa's Nambour Workshop! And the best part of all was seeing the brimming smiles on the faces of the children and parents as we delivered each hamper to them.

For many of the families that we support Christmas can be a time of depression and sadness as it exposes and magnifies their problems. Before Christmas when we were at one of our refuges reading over letters to Santa, it was inspiring and heartbreaking to read a letter from one little girl telling Santa all she wanted was a house so she could get her dog and chicken back that she had to leave behind. It was such a basic need – to have a home - and one we are working on as an organisation to provide. However it was not a Christmas wish we could deliver last year, but what we could deliver was a magical day filled with all the food, clothes and toys any child could dream of and that's because of YOU!

Your support and dedication to SunnyKids and the Sunshine Coast community is admirable and it is because of you that our families were able to celebrate Christmas as a family with joy and ease.

We are forever grateful.

Chris & the SunnyKids Team
