

Pom Pom Spiders

Materials

- Black pom poms
- Black pipe cleaners
- Googly eyes
- Scissors
- Craft glue

1. To create eight legs, you the pipe cleaners into 7cm lengths.
2. Glue four of the pipe cleaners to one side of the black pom pom and the other four to the opposite side. (You may need to hold the pipe cleaners against the pom pom until the glue dries.)
3. Bend the pipe cleaners in half to create the legs.
4. Glue two googly eyes to the front of the pom pom to create the spiders face.

ALL DONE!

Display your little spiders in the window or around the house.
