

Property management service guarantee

RayWhite[®]

Any service worth giving is worth guaranteeing!

At Ray White Property Management Lake Macquarie we guarantee that you will be happy with our service and if you aren't happy, and we haven't rectified your concern, we will happily refund you the last 3 months Management Fees.

We can't be any fairer than that! How many times have you seen a written service Guarantee that goes on and on and you almost need a lawyer just to understand what it means.

Our Guarantee is Simple: we always promise to do the right thing and provide a great service and if we don't... you can fire us!

We thank you for considering us in the privilege of looking after your investment home and we look forward to adding value to your bottom line.
